E-HUGS

Episcopalians Helping the Unemployed Get Support

Out of work? Interested in a support group?

St. Luke's and St. Hilary's have teamed together to start a support group for the unemployed who are currently seeking employment.

Our ministry's goal: "A collective faith based voluntary ministry to address the concerns of the unemployed in Lee County."

How will our ministry help you?

- Through encouragement & teamwork: We will meet the 2nd and 4th Tuesday each month at St. Hilary's Episcopal Church, Browning Hall at 7pm, located at 5011 McGregor Blvd. in Fort Myers. THE FIRST MEETING WILL BE AUGUST 10, 2010.
- Through spiritual and pastoral care at each meeting
- We will help you to set positive, realistic goals for yourself during your job search process.
- You will be provided with presentations that will enable you to become better prepared in your job search.
- We will be there to walk with you through this journey

Please note that we are not a job searching organization or a financial assistance organization. We are a faith-based group of dedicated Christians who want to walk with you through the job search period of your life.
